Remarks

Every house has a story. This beautiful brick bungalow is waiting for yours. Some homes ask you to renovate before you can enjoy them. This one allows you to comfortably move in first and make it your own over time. Freshly painted, finished with brand-new carpet, and thoughtfully maintained with newer mechanicals and a newer roof, this inviting 3-bedroom bungalow offers something today's buyers rarely find: peace of mind today with exciting possibilities for tomorrow. Whether your style leans timeless, modern, farmhouse, or somewhere in between, this home provides the perfect backdrop to create spaces that reflect **your** personality-not someone else's renovation choices. The expensive updates have already been handled, leaving the creative touches entirely up to you. Situated on a desirable corner lot in a charming neighborhood known for its beautiful brick homes and meticulously maintained lawns, you'll appreciate the pride of ownership that surrounds you every time you pull into your two-car garage. If you've been waiting for a home that's move-in ready, affordably priced, and full of opportunity instead of compromise, you've just found it. The best homes don't always need to be completely remodeled. They simply need the right owner to make them unforgettable. Schedule
